BOARDING POLICY

One of the advantages of boarding your pet at Morris Veterinary Clinic, is that veterinary attention is readily available should the need arise. While your pet is staying with us, we assure you that he or she is receiving excellent care and our full attention. Your pet is staying in our air-conditioned facility. Dogs are walked in our outside fenced area a minimum of 3-4 times daily.

Preventative Medical Care:

To insure the protection of all pets under our care, your pet must be current on all vaccination, parasite and heartworm screening, they must also receive heartworm prevention as outlined in our Boarding Requirements. If your pet is not current, or you are unable to provide proof of vaccinations administered by a licensed veterinarian, we will provide all necessary preventative medical care at the owner's expense.

Fleas:

To remain a flea free environment, all animals in the hospital with fleas or ticks will receive flea or tick treatment at the owner's expense.

Feeding & Medications:

All pets are fed nutritionally balanced meals. If you would like your own food served, please provide the necessary amount and instructions. If your animal is taking any medications, please bring the medicine and administration instructions. There is a daily charge for the administration of medications brought in by the client.

Pick-up Times:

Discharge times can be scheduled between 10:00 a.m. and 7:00 p.m. Monday through Friday and 10:00 a.m. and 1:00 p.m. on Saturday, with the exception of holidays. Every dog receives a courtesy bath before going home.

Medical Illness Policy:

Please be aware that some pets are under stress while away from their owners and may become ill during boarding. If your pet becomes seriously ill, we will call the emergency number above regarding your pet's symptoms, treatment options, and estimate of additional cost (if needed). If no one can be reached however, please indicate your wishes below should your pet require treatment to relieve immediate discomfort or to resolve an important medical condition.

_____ I authorize up to \$_____ in medical care for my pet until someone can be reached.

_____ Do not administer any medical treatment until specific authorization is given.

I have read and understand this agreement. I fully intend to pick my pet up on the above specified date. If circumstances change, I will notify the veterinary staff of a new pick-up date. Payment will be made in full at the time I pick my pet up unless prior arrangements have been made.
